

# JENNIFER LYN & THE *Groove Revival*

## BIOGRAPHY

Since Jennifer Lyn & The Groove Revival launched their first official album release in 2021 with the EP *Nothing Holding Me Down*, they have blazed a remarkable trail through the modern blues scene. The band quickly gained momentum, reaching #4 on the Billboard Blues chart and earning accolades that firmly established their place in the genre. Their raw, soulful sound, paired with Jennifer Lyn's powerful vocals, bandmate Richard Torrance's searing guitar work, and the duo's dynamic guitar interplay, has captivated audiences and critics alike.

Backing Jennifer Lyn is a talented ensemble of seasoned musicians: Richard Torrance on lead guitar, Jim Anderson on drums, Barb Jiskra on keys, and Nolyn Falcon on bass. Together, they create a dynamic and cohesive sound that bridges modern blues-rock energy with deep roots in classic blues traditions.

The group has garnered an impressive seven Independent Blues Music Award nominations, recognizing their talent, originality, and contribution to contemporary blues. Additionally, their songwriting prowess earned them a nomination for an International Songwriting Award, further solidifying their reputation as both gifted musicians and storytellers.

Jennifer Lyn & The Groove Revival have achieved consistent success on the blues airwaves, with all three of their album releases landing in the top 10 on Blues radio music charts. With a reputation for electrifying live performances and a steadily growing fanbase, Jennifer Lyn & The Groove Revival continue to carve their path in the blues world, blending authenticity with a fresh, contemporary edge.
