

JENNIFER LYN THE *Groove Revival*

PRESS QUOTES

“Thoughtful dual guitar soloing tastefully done as Lyn sings with emotion. Blues rock fans will certainly enjoy!”

- Blues Blast Magazine

“Jennifer Lyn proves she will be a force to be reckoned with in the blues-rock world. She’s a gifted singer and guitarist who’s also capable of digging deep from within as a songwriter.”

- Blues Bytes Magazine

Female blues guitarists have long been an important part of the blues-rock world. You only have to think of ladies like Ana Popovic, Bonnie Raitt or Joanne Shaw Taylor to understand what I mean. Now we can also add Jennifer Lyn & The Groove Revival to that list”.

- Blues Magazine

“Jennifer communicates the intense feeling that only the most honest musicians know how to transmit when they play from the bottom of their soul.”

- La Hora del Blues Spain

“They show the impact of a carefully crafted composition and the emotional power of harmonized sounds.”

- Era Jazzu Poland

“I really enjoyed this well-honed, masterful blend of styles and look forward to hearing more, please!”

- Blues Matters!

“Jennifer Lyn & The Groove Revival live up to their “groove revival” moniker with tight rhythms, stellar guitar work and Jennifer’s high octane blues belting vocals.”

- Metronome

The music is a masterful blend of style, substance, and songwriting. Lyn’s vocals come alive in front of these crackling musicians. They rock hard in and out of the blues and turn up the heat on the soulful end.”
